**ARTICLE IV
CONDITIONS OF EMPLOYMENT - SCHOOL YEAR**

Section 1. School Year

The maximum number of days in the work year will be determined by the BOCES calendar. The BOCES calendar shall not exceed 189 days. For those not working in a Monroe #1 BOCES school program, the first day unit members are required to report for duty should be the workday that precedes the first day of instruction and must be no earlier than the week that precedes Labor Day Weekend. It is the expectation that when possible, all unit members shall work a school year of similar length. Members required by placement to work beyond the length of the current Monroe #1 BOCES school year shall receive their per diem daily rate (1/200th of their annual salary) for each day beyond the current calendar.

Should a unit member's placement be shorter in duration than the current Monroe #1 BOCES calendar, the unit member shall discuss and mutually agree to a plan for professional development with the unit member's department supervisor. This plan may include, but will not be limited to, developing or creating unit/lesson plans, professional investigation of a current topic/issue, or attending professional development. The unit member and supervisor shall mutually agree on how to best facilitate the member's schedule and work site to accomplish the agreed upon plan.

The school year shall not commence before the Labor Day holiday.

Section 2. School Calendar

The BUP will be consulted and have an opportunity to make recommendations on the school calendar. It is the desire of BOCES #1 and BUP to follow the Monroe County School Calendar as a guide.

For each school year, one day shall be designated a staff development day for all BUP members. There will be a minimum of two (2) IEP workdays (1 ½ scheduled and ½ floating) annually. Staff members must obtain prior approval from their immediate supervisor before scheduling the ½ floating IEP day. District Based and Itinerant staff shall be released from duties equivalent to two (2) days to complete required written documents (including, but not limited to, IEPs) with prior agreement from their immediate supervisor. The District Superintendent will make a reasonable effort to schedule an early release day(s) during school hours whenever the calendar permits. In the event the calendar does not allow for early release days, extra flexibility will be used to schedule the additional ½ floating day to complete IEPs.

BUP will be consulted and have an opportunity to make recommendations on the IEP workdays.

Section 3. School Day

No change in the length of the school day shall occur without consultation with the BUP. The Board reserves the right to stagger the starting and ending times in order to provide for more efficient operation.

The scheduled workweek shall be 37.5 hours. Each program/department will collaboratively establish start and end times with staff members on a yearly basis with the following goals to be achieved wherever possible:

- Staff members will always be present during contact hours.
- Staff members will maintain 37.5 hours per week.
- Staff members will meet all professional obligations and duties.
- Staff members will make themselves available for meetings, conferences, and professional duties with administrators, other staff members, parents, and students.

Staff members will receive 7.5 hours for conference, personal, and sick days. Programs/departments that do not have the opportunity to flex under the above conditions will be given consideration and will be given opportunities to flex wherever possible when mutually agreed upon by the supervisor and staff member.

Unit members may be required to attend school activities or meetings directly related to their regular professional duties before or after school hours. Such required meetings or activities, other than regularly scheduled faculty meetings and IEP conferences, shall be limited to four (4) each school year. Administrators may hold two (2) faculty meetings per month for no longer than one (1) hour outside the workday for each meeting, or one (1) faculty meeting per month for no longer than two (2) hours outside the workday. Meetings will be scheduled with as much advance notice as possible.

BOCES #1 will provide members of the negotiating unit with a duty-free lunch period of at least thirty (30) minutes in length in a manner consistent with the provisions of section 3029 of the Education Law.

It shall be the objective of the BOCES that full-time unit members have planning time within the 7.5-hour workday of at least 150 minutes per week. Planning time shall be consistent with the unit member's professional duties.

Beginning in the 2018-19 school year, it shall be the objective of the BOCES that full-time unit members have planning time within the 7.5 hour workday of at least 200 minutes per week. Planning time shall be consistent with the unit member's professional duties. Starting in the 2018-19 school year a minimum of thirty (30) minutes per day of this time will occur during student contact time, excluding Multit-Occ. Focus and EMCC Programs.

For the 2017-18 school year every effort will be made to address scheduling concerns with unit members.

Beginning July 1, 2022, for 1:1 Teaching Assistants, Interpreters, and Crisis Interveners, if planning time is not able to be scheduled during the student contact time, an additional ten (10) minutes/day will be added to that member's cumulative planning time that week (i.e., 5 days = 250 minutes, 3 days = 230 minutes) for an average of fifty (50) minutes/day

outside of student contact time. Individual schedules will be developed so that each unit member under this provision knows when their planning time is accounted for within their workday. A plan will be in place for those unit members to have necessary relief during student contact hours. It shall be the expectation that all possible alternatives be exhausted first.

Section 4. Assignment

Annually, the district will establish a guideline in regard to the process for calculating the enrollment which will ultimately determine the staffing needs for the upcoming school year. BUP will be consulted and provided the opportunity to make recommendations regarding the annual development of the guideline. The guideline will be distributed prior to the close of the current school year.

Where feasible, BOCES will provide each member of the negotiating unit a notice of tentative assignment for the next school year, which specifies location and/or program, by June 30 of each year. It is understood and agreed that the assignment is subject to change depending upon the needs of BOCES #1 in providing educational services. A unit member may appeal their school year assignment in writing to the Director of Human Resources. The appeal must be submitted prior to July 15. The unit member will receive a response to their appeal prior to August 1.

BOCES will provide each member of the negotiating unit their class list/caseload for the coming school year by August 1. Itinerant staff members will be provided their class list/caseload for the coming school year by August 15, or earlier if possible. It is understood and agreed that the assignment is subject to change depending upon the needs of BOCES #1 in providing educational services. - 1.1 The established policy which provides up to \$600 per year effective July 1, 2014 to each professional staff member to attend appropriate professional conferences approved by supervisors if relevant to professional goals of the department shall be continued. Any denial, including denial of conferences costing more than \$600 may be appealed to the District Superintendent or his/her designee. Professional conferences shall be in accordance with the Monroe #1 BOCES Professional Development Plan and shall follow the appropriate Board Policy in regard to reimbursement of travel expenses. Up to \$100 of professional conference monies may be used for professional literature, media, and/or materials approved by supervisors if relevant to professional goals of the department.

- 1.4 All non-essential unit members shall be released from duties to attend any BOCES-wide conferences.

Section 2. Tuition Reimbursement Plan

Eligibility

- Coursework must be relevant to the unit member's position or credited to a degree that is relevant to employment within BOCES
- Unit members must successfully complete the course with a grade of "C" or higher
- Unit members who work less than full time are eligible for a prorated share of the annual benefit based on their full-time equivalent (FTE)

Regarding unit members pursuing courses of study in Educational Administration: Up to 10 new unit members may enroll in courses pursuant of Administrative Degrees or equivalent during each fiscal year of the current contract.

Annual Benefit per School Year (July 1st – June 30th)

Members may receive tuition reimbursement equal to the amount charged by Nazareth College for three (3) graduate level courses per school year. (This equates to 9-credit hrs. at the Nazareth Graduate rate). The annual benefit is applied to the courses completed during the Summer, Fall and Spring semesters of each school year. All summer semester courses taken in May and June will be applied to the ensuing next fiscal year. Unused benefits do not carry over.

Approval Process

1. Submit Application – prior to the start of coursework, submit a Tuition Reimbursement Application and attach a course description, course schedule, and tuition cost to your supervisor.
2. Supervisor Approval – supervisor will confirm whether the course of study is related to the employee’s position and will likely expand competencies and/or job-related knowledge.
3. Human Resource Review – approved applications are forwarded to the Director of HR. The Director, or his/her designee will confirm the member’s annual benefit availability and evaluate the completeness of the application and supporting documentation.

Reimbursement Process

1. Submit Grades and paid receipts to Human Resources verifying payment and successful completion with a grade of “C” or higher
2. Grade Submission Deadlines

Semester	July – June Fiscal Year
Summer Semester (all summer sessions)	August 30 th

Payments will be processed within thirty (30) days of the submission deadlines.

Reimbursement for tuition up to the IRS threshold per calendar year (January – December) is exempt from tax. Payments in excess of the threshold will be paid through payroll and reported as income on the member’s W-2.

Reimbursement will be made to those eligible employees only if they are in active employment at the time payment is to be made as provided in the paragraphs above, with the exception

that tuition reimbursement will be made to those employees who are not in active employment because of the following reasons:

1. The employee is on an approved leave of absence after the course is completed.
2. The employee is ill or disabled and unable to return to work.
3. The employee is laid off from work.

If the unit member voluntarily resigns less than one (1) full year contract following reimbursement, they must re-pay BOCES for one-half the amount of tuition received in that contract year.

The unit member will be reimbursed for mileage above 20 miles from either the unit member's home or the Foreman Center, whichever is less. (For example, if a unit member's home is 40 miles from the work location and the Foreman Center is 30 miles

from the work location, he/she is entitled to reimbursement from the Foreman Center to the work location [10 miles each way]).

Definition of Transfer

2. Certification Issues (i.e. to assure programs have appropriately certified staff)
3. Internal Program Transfer (i.e. from elementary to middle school)

In any transfer of assignment of unit members, the best interests of children shall be considered first. It is understood and agreed that the Board's objective is to obtain the most qualified teacher or related service provider. In addition to the best interests of children, the following principles will be considered in filling vacancies in existing or new positions by means of transfer of assignment:

- Individual qualifications (including, for example, previous experience of unit member)
- Instructional requirements (certifications)
- District request
- Location of unit member's home
- Seniority

Unit members shall have a choice if there is more than one opening and if the unit member meets the requirements of the open position. Where feasible, BOCES will communicate openings to BUP unit members who meet the requirements of an open position in an effort to help facilitate a Voluntary Transfer and avoid an Involuntary Transfer.

2.2 VOLUNTARY TRANSFERS OF ASSIGNMENT:

A unit member requesting a transfer from one assignment to another within the same tenure area shall submit a request in writing to their Principal or Coordinator involved and a copy sent to the Director of Human Resources, stating the reason for the request by May 1st. The unit member shall be notified in writing of the action and the reason concerning the unit member's request as close to June 15th as possible or 20 days after the end of a posting period.

Teachers considered in good standing may apply for a transfer – good standing means a unit member is not on an improvement plan. Once the improvement plan is complete, the teacher shall be considered in good standing.

2.3 INVOLUNTARY TRANSFER OF ASSIGNMENT:

1. Any involuntary transfer as described above shall be made only after a meeting between the unit member involved, a BUP Officer of the Association, the Principal/Coordinator, and, by request, the Director of Human Resources and Director of the unit member's program, at which time the unit member will be notified of the reason therefore. If the unit member objects to such transfer, a good faith effort shall be made to transfer the unit member to an acceptable position.
2. Written notice of a proposed involuntary transfer of assignment shall be given to the unit member as soon as possible but not less than fourteen (14) calendar days before the transfer of assignment is effective.
3. Wherever possible, no unit member shall be subject to involuntary transfer of assignment within three (3) consecutive years.

- 4.9 Return to Full Time: In the event a job sharer requests to return to a full-time teaching position, the district shall grant such a request before hiring personnel from outside the district to fill a position for which the job sharer is qualified and has requested. Such increase would depend upon the staffing needs of the district.
- 4.10 Substituting: Job sharers shall substitute for each other whenever possible.

Section 5. Part Time Teachers

- 5.1 Part time teachers shall be transferred to full time employment at the beginning of the school year provided they have informed the District Superintendent of their desire to do so prior to May 1 of the previous school year. This would depend upon the staffing needs of the district.

- 2.2 Prior to the commencement of any disciplinary action an employee enjoying the benefit of tenure, the District Superintendent, or his or her authorized designee, shall meet with the employee to review the allegations and action against the employee and the employee's position with respect to such allegation(s). The employee shall be advised of the nature of such meeting, in advance, and shall be given the opportunity to request the presence of a BUP Representative at the meeting.
- 2.3 Following such meeting, or in the event the employee or his or her representative does not participate in the scheduled meeting, if the District Superintendent, or his or her authorized designee, decides that such employee should be disciplined, he may initiate such action by the service of a written notice of discipline in person or by certified mail, which shall include the specific reasons for which discipline is sought to be imposed, together with the proposed penalty. Such notice shall further advise the employee that, within ten (10) school days of receipt of the notice, such employee may file an appeal challenging the proposed action. If the employee does not choose to appeal, the proposed penalty shall be implemented on the eleventh (11) school day after the employee has received the notice.
- 2.4 An employee if he or she chooses to do so, must file the appeal with the District Superintendent within ten (10) school days of receipt of the notice of discipline. Thereafter, within five (5) school days, the employee must file a demand for arbitration with the American Arbitration Association. A copy of the demand will be served upon the District Superintendent of Schools or his designee. Article X SUPERVISION AND EVALUATION PROCESS

Section 1. Introduction

The purpose of the supervision/evaluation structure which follows is the promotion of the ongoing development of each staff member. Such development is possible only when mutual trust and respect exist between those being supervised and evaluated and those who supervise and evaluate. It was the goal of the study committee to create a structure which makes possible productive, constructive interactions between professionals, both peers and supervisors. Since a perfect process must continually be sought, this structure should be seen as formative. That is, it should be periodically reviewed and refined in hopes of moving it towards a more perfect state.

For this structure to be successful, training for all involved is necessary. It is the responsibility of the Monroe #1 BOCES organization to provide training. It is the responsibility of the professional staff to avail itself of this training.

Section 2. APPR Process

The current APPR Document, <http://www.monroe.edu/documents.cfm> will remain in effect until the APPR Committee meets and approves the changes as set forth by the Chapter 103 Laws of 2010, including a new section 3012-c of the Education Law.

Section 3. Evaluation of Unit Members Who Are Not Teachers of Record

All evaluation systems not mandated by the New York State Education Law shall be reviewed and approved by the District Professional Evaluation Committee (known as the APPR Committee). The APPR Committee will be comprised of at least 51% BUP unit members. BUP unit members will be selected by the Co-Presidents of BUP. All other members and the chairperson will be selected by the District Superintendent.

If the unit member voluntarily resigns employment prior to the end of this three-year period, they must repay one-half the amount of the salary and tuition reimbursement received during the period of the leave.
